

New England Independent Booksellers Association NEIBA

2017-2018 LIBRARY/SCHOOL MEMBERSHIP INFORMATION

The New England Independent Booksellers Association is the trade association for the retail book industry in New England. Serving independent booksellers for forty years, NEIBA has almost 275 members representing more than 200 bookstores.

NEIBA enjoys the loyalty and active participation of enthusiastic members who support the organization's mission: "to further the success of professional independent booksellers in New England and to foster a vital and supportive bookselling community." Independent booksellers are crucial to maintaining a lively community of readers and writers and we have many of the same interests as others in this community.

NEIBA promotes independent bookselling in New England (Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont and parts of New York state) through an annual Fall Conference, educational programming, electronic publications and a variety of other resources and promotional programs. NEIBA is governed by an elected Board of Officers that meets regularly with the Advisory Council and Executive and Assistant Executive Director.
